Damanhour University, Damanhur, Egypt | Grade: Very Good

Relevant coursework: Financial Accounting, Cash Flow Statements, Business English

## EXPERIENCE

### Data Analytics – Power BI Specialist | Digital Egypt Pioneers Initiative (DEPI)

Nov 2025 – Present

- Developing SQL and Power BI proficiency through a structured data-analytics training track, transforming raw datasets into actionable business dashboards.
- Developed multi-page Power BI dashboards (Home, Overview, Stores, Products) using DAX measures, Top-N filters, and treemap visualizations — enabling retail managers to identify top-performing products and monitor KPIs in real time.

### Project Management Team Member | Enactus, Damanhour University

Oct 2025 – Present

- Collaborate in a cross-functional student team to design and execute community-impact projects — from concept through pitch and delivery — competing at national Enactus Egypt level.

### Job Hunt Toolkit Bootcamp | Creativa Innovation Hubs

Sep 2025 – Oct 2025

- Completed a 25-hour intensive career-readiness program covering problem-solving, time management, and professional communication through collaborative exercises.

### Summer Intern — Sustainable Finance | CIB Egypt

Aug 2025 – Sep 2025

- Selected for CIB's competitive summer program, gaining practical exposure to sustainable finance principles and strategic thinking frameworks at Egypt's largest private bank.

### Customer Service Supervisor | GFM Co. for Trading – Damanhur

Feb 2024 – Oct 2024

- Supervised a customer-facing team during high-volume periods, delegating tasks and coaching colleagues on upselling techniques — contributing to a 30%+ increase in sales revenue over the supervision period.
- Streamlined escalation workflows, reducing average customer resolution time by ~20% and improving daily operational efficiency across the retail floor.

### Customer Service Representative | GFM Co. for Trading – Damanhur

Oct 2022 – Feb 2024

- Resolved customer inquiries with timely, accurate solutions over a 16-month tenure, consistently earning positive feedback and contributing to team targets.
- Managed purchase-order processing and coordinated with internal teams to improve stock replenishment accuracy.
